

Whole School yearly overview (in terms) Autumn Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	
Year R			Early mathematical experiences			Pattern and early number		Counting within 6		Addition and subtraction within 6			Properti es of 2D shape	Properti es of 3D shape	Consoli dation	
Year 1	Place value			Addition and subtraction within 10				Geome try - shape	Numbers within 20			Addition and subtraction within 20			Consoli dation	
Year 1 /2	Place value				Addition and subtraction				Multiplication and division		Test Week	Mult and div (cont)	Measures (length and height)		Statisti cs	
Year 2	Place value			Addition and subtraction			Multiplication and division			Test Week		Measures (length and height)		Statistics		
Year 3	Place value			Addition and subtraction			Mult and div	Test Week	Consoli dation	Multiplication and division (facts)		Multiplication and division (methods – formal and informal)				
Year 3 /4	Place value				Addition and subtraction				Test Week	Consoli dation	Multiplication and division (facts)		Multiplication and division (methods – formal and informal)			
Year 4	Place value				Addition and subtraction		Mult and div		Test Week	Consoli dation	Multiplication and division (facts)		Multiplication and division (methods – formal and informal)			
Year 5	Place value			Addition and subtraction		Multiplication and division			Test week	Multiplication and division			Measures – volume, area and perimeter		Consoli dation	
Year 5/6	Place value			Addition and subtraction		Multiplication and division				Test week	Multiplication and division		Fractions (to go into Spring 1)			
Year 6	Place value			Addition and subtraction		Multiplication and division			Test week	Fractions					Decima ls	

Whole School yearly overview (in terms) Spring Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Year R	Numbers within 10		Addition and subtraction within 10			Calendar	Grouping and sharing		Numbers within 15		Doubling and halving	
Year 1	Measures				Place value within 50			Time		Calculating within 50		Geometry – position and direction
Year 1 /2	Geometry - shape			Fractions				Test week Test week	Money		Time	
Year 2	Geometry - shape			Fractions					Money		Time	
Year 3	Fractions (and decimals)					Measure s – length and perimeter	Test Week Test week Test week Test week Test week	Consolidation	Measures – length and perimeter (cont.)	Statistics		Multiplication and division
Year 3 /4	Fractions				Decimals			Consolidation	Decimals (cont.)	Statistics	Measures – length and perimeter	
Year 4	Fractions				Decimals			Consolidation	Decimals (cont.)	Statistics	Measures – length, area and perimeter	
Year 5	Fractions					Decimals		Decimals		Percentages	Statistics	
Year 5/6	Fractions	Decimals		Percentages		Algebra	Test week	Ratio and proportion	Measure – volume, area and perimeter		Geomtery – position and direction	Statistics
Year 6	Decimals	Percentages		Algebra		Ratio and proportion		Ratio and proportion (cont.)	Measure – volume, area and perimeter		Geometry – position and direction	Statistics

Whole School yearly overview (in terms) Summer Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Year R	Numbers up to 20	Addition and subtraction within 20		Measures			Number bonds of 5 and 10	Depth of number within 20		Money	Position and direction	
Year 1	Multiplication and division			Fractions		Money	Place value within 100		Addition and subtraction within 100			Consolidation
Year 1 /2	Multiplication and division		Geometry: position and direction		Measures: mass, capacity and temperature		Testing	Consolidation	Reasoning and problem solving with calculations		Fractions consolidation Consolidation	
Year 2	Multiplication and division		Geometry: position and direction		Measures: mass, capacity and temperature				Testing	Consolidation	Reasoning and problem solving with calculations	
Year 3	Time			Measures		Test week	Consolidation	Calculating with measures			Geometry - shape	
Year 3 /4	Measurement - area	Time		Measures (mass and capacity)				Consolidation	Measures - money	Geometry – properties of shape		Geometry – position and direction (coordinates)
Year 4	Multiplication and division	Time		Measures – conversions			Consolidation		Measures - money	Geometry – properties of shape		Geometry – position and direction (co-ordinates)
Year 5	Geometry – position and direction			Measure – conversions				Test week	Measure – converting units (cont.)		Geometry – properties of shape	
Year 5/6	Measures – conversion including time (Y6 ONLY)		Geometry – properties of shape (Y6 ONLY)		SATs week	Fractions and scaling problems			Year 5 – To complete unit on converting measures, the geometry and properties of shape as per Y5 curriculum.			
Year 6	Measures – conversions including time		Geometry – properties of shape			SATs week	Fractions and scaling problems		Year 6 – consolidate in preparation for KS3 Consolidate in preparation for KS3/ investigations
