

EMAT POLICY FOR SAFEGUARDING INCORPORATING CHILD PROTECTION

Updated September 2025

[‘Keeping Children Safe in Education’, DfE \(2025\)](#)

The model policy was revised in September 2025 to reflect the changes in national guidance as a consequence of the publication of revisions to *‘Keeping Children Safe in Education’* on 7th July 2025 pending publication of the final version which will **become statutory on 1 September 2025**. All academies must have regard to it when carrying out their duties to safeguard and promote the welfare of children. Until 1 September 2025, academies and colleges must continue to use the current statutory guidance dated September 2024.

In accordance with the guidance, Academy Committees and Trustees of EMAT should ensure that all staff and volunteers are aware of the new policy and are kept up to date as it is revised. The revised policy should continue to be made available publicly.

The following policy is designed to provide a framework for each academy’s policy and Annex A. It should be adapted to make it relevant to your setting and any particular local safeguarding issues you may be dealing with. Academy-specific information should be added e.g. information about the curriculum (including information about Relationships Education, Relationships and Sex Education and Health Education) and the academy’s monitoring and evaluation procedures.

Summary of changes – July 2025:

The model policy has been revised to reflect these changes to the statutory guidance as outlined below.

Section	Changes
Throughout	All references to ' <i>Keeping Children Safe in Education</i> ' (2024) have been removed and replaced with reference to ' <i>Keeping Children Safe in Education</i> ' (2025).
2.8	Updated to reflect the bullet points in relation to early help.
2.9	Addition of Data Protection Act 2018 and UK GDPR.
3.5	Addition of exploitation.
5.1	Changed the link from the Norfolk Threshold Guidance to the Norfolk Continuum of Need Guidance .
6.8	Link added to the Children's Society Preventing Child Sexual Exploitation guidance.
6.9	Addition of exploitation.
6.10	Replacement of violence with abuse. Addition of link to Norfolk Safeguarding Children Partnership procedures.
6.13	Updated to filtering and monitoring.
6.15	Link to UKCIS Sharing nudes and semi-nudes: advice for education settings working with children and young people updated.
6.26	Updated in line with Working Together to Safeguard Children , 2023, definition of abuse, neglect and exploitation.
6.32	Link added to the Education Network in relation to Cyber Security standards.
8.6	Operation Encompass paragraph updated.
9.3	Addition of academy attendance for information to be included for reports for Child Protection Conferences.
Appendix 3	Added link to information about ' getting the right support to children and families – who to call ' into consideration of early help box.

POLICY FOR SAFEGUARDING INCORPORATING CHILD /PROTECTION

/

Eastern Multi-Academy Trust

Policy Consultation & Review

This policy is available on our Trust website and that of the individual academies. It is available on request from each academy office. We also inform parents and carers about this policy when their children join our academy and through our academy newsletter.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Trust Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are absent from education. In addition, all staff are provided with Part One of the statutory guidance ['Keeping Children Safe in Education'](#), DfE (2025).

This policy will be reviewed in full by the Governing Board on an annual basis. This policy was last reviewed and agreed by the Governing Board on Sep 25. It is due for review on Sep 26

Signature P. Shanks CEO Date: 29/8/25

Signature D. Wilde Chair of the Board Date: 29/8/25

1. PURPOSE & AIMS

1.1 The purpose of EMATs safeguarding policy is to ensure every child who is a registered pupil at any of our academies is safe and protected from harm.

This means we will always work to:

- Provide help and support to meet the needs of children and young people as soon as problems emerge.
- Protect children from maltreatment, whether that is within or outside the home, including online.
- Prevent impairment of our children's and young people's mental and physical health or development.
- Ensure that children and young people at our academy grow up in circumstances consistent with the provision of safe and effective care.
- Undertake that role to enable children and young people at our academy to have the best outcomes.

1.2 This policy will give clear direction to all staff including supply staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our academy.

1.3 Our Trust fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our academy. The elements of our policy are prevention, protection and support.

1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from academy or who go missing from education, particularly for prolonged periods and/or on repeat occasions. The Attendance Lead in each academy will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent pupils and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our Trust, through our academies, will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children in our Trust will be able to talk freely to any member of staff at their academy if they are worried or concerned about something. All staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff in our Trust play

a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of ‘it could happen here’ where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the **best interests** of the child.

2.3 Within EMAT we ensure that safeguarding and child protection is at the forefront and underpins all relevant aspects of process and policy development. We operate with the best interests of the child at their heart.

2.4 Where there is a safeguarding concern, the child’s wishes and feelings are taken into account when determining what action to take and what services to provide. The systems we have in place are well promoted, easily understood and easily accessible for children to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

2.5 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child, and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose. All staff will be trained to recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful.

2.6 Throughout our broad and balanced curriculum, we will provide activities and opportunities for children to develop the knowledge, values and skills they need to identify risks, including knowing when and how to ask for help for themselves and others to stay safe (this includes online). The Relationships Education, Relationships and Sex Education and Health Education (delivered in regularly timetabled lessons and reinforced throughout the whole curriculum) will cover relevant topics in an age and stage appropriate way, enabling pupils to learn about their rights and responsibilities to behave and stay safe in a variety of contexts on and offline. This will provide further reinforcement to help children identify risks, know when to seek support and develop the skills to ask for help from trustworthy, reliable sources. We achieve this by:

As a Trust, each academy follows a broad and balanced curriculum which gives children a fully rounded educational experience. Each academy will show details of this on their website, including the PSHE and RSE curriculum, to support pupils appropriately with growing up and understanding the world in which they live. RSE is implemented following full consultation with parents and carers.

Please see Annex A and individual academy websites for details about how safeguarding is supported through each academy’s curriculum content – particularly those pages containing PSHE, RSE and E-Safety

details. Please also note the individual Safeguarding pages where further information can be gathered.

Further relevant information can be found in the DfE guidance '[Teaching online safety in academy](#)' and '[Relationships Education, Relationships and Sex Education and Health Education](#)'. This education is underpinned by each academy's behaviour policy and pastoral support system.

2.7 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children](#) (2023) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#) [Suffolk Multi-Agency Safeguarding Partnership](#) should be used for our Suffolk based schools

2.8 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- is disabled or has certain health conditions and has specific additional needs
- has special educational needs (whether or not they have a statutory education, health and care plan)
- has a mental health need
- is a young carer
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines
- is frequently missing/goes missing from education, care or from home
- has experienced multiple suspensions, is at risk of being permanently excluded from academies, colleges and in Alternative Provision or a Pupil Referral Unit
- is at risk of modern slavery, trafficking or sexual and/or criminal exploitation
- is at risk of being radicalised or exploited
- has a parent or carer in custody, or is affected by parental offending
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
- is misusing drugs or alcohol themselves
- is at risk of 'honour'-based abuse such as Female Genital Mutilation or Forced Marriage
- is a privately fostered child

2.9 Within EMAT we understand the importance of working in a way that adheres to the following legislation:

- The Human Rights Act 1998
- Equality Act 2010

- Public Sector Equality Duty
- Data Protection Act 2018 and UK GDPR

This means we do not unlawfully discriminate against pupils because of their sex, race, disability, religion or belief, gender reassignment, pregnancy and maternity, or sexual orientation (protected characteristics).

3. ROLES AND RESPONSIBILITIES

Role	Name	Contact details
Trust Designated Safeguarding Lead (DSL)	Mark Cresswell	Mark.cresswell@eastern-mat.co.uk
Mental Health Lead	Deborah Rapkins	Deborah.rapkins@eastern-mat.co.uk
Deputy DSL	Imran Khan	Imran.khan@eastern-mat.co.uk
CEO	Paul Shanks	Paul.shanks@eastern-mat.co.uk
Named Safeguarding Governor	Sharon Gray	Sharon.gray@eastern-mat.co.uk
Chair of Governors / Trustees	David Wilde	David.wilde@eastern-mat.co.uk

3.1 It is the responsibility of *every* member of staff, volunteer and regular visitor to our trust to ensure that they carry out the requirements of this policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils within the Trust. This includes the responsibility to provide a safe environment in which children can learn.

The Board of Trustees

3.2 The Board of Trustees of EMAT is accountable for ensuring the effectiveness of this policy and our compliance with it. Although our Board takes collective responsibility to safeguard and promote the welfare of our pupils, we also have a named Trustee who champions safeguarding within the academy.

3.3 The Board of EMAT will ensure that:

- The safeguarding policy is in place, is reviewed annually, is available publicly via our trust website and has been written in line with Local Authority guidance and the requirements of the Norfolk and Suffolk Safeguarding Children Partnership policies and procedures.
- The Trust, through individual academies, contributes to inter-agency working in line with Working Together to Safeguard Children (2023).

- A senior member of staff from each leadership team is designated to take the lead responsibility for safeguarding and child protection and that there is at least one deputy DSL(s) who is appropriately trained member to deal with any issues in the absence of the Designated Safeguarding Lead (DSL). There will always be cover for this role. The role will be evidenced explicitly in the role holder's job description.
- All staff receive a safeguarding induction and are provided with a copy of this policy, the staff code of conduct, the behaviour policy and the academy's safeguarding response for those pupils who are absent from education as detailed in section 6 of this policy.
- All staff undertake appropriate child protection training that is updated annually and online safety training.
- In terms of filtering and monitoring there is consideration to the number of and age range of children, those who are potentially at greater risk of harm and how often they access the IT system along with the proportionality of costs versus safeguarding risks.
- Procedures are in place for dealing with allegations against members of staff and volunteers in line with statutory guidance.
- Safer recruitment practices are followed in accordance with the requirements of ['Keeping Children Safe in Education'](#) DfE (2025);
- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 Each individual Academy Committee will receive a safeguarding report at each meeting that will record the training that has taken place, the number of staff attending and any outstanding training requirements for the academy. It will also record all safeguarding activity that has taken place, for example, meetings attended, reports written, training or induction given. It will not identify individual pupils.

The Principal

3.5 Within each EMAT Academy the Principal is responsible for:

- Identifying a senior member of staff from leadership team to be the Designated Safeguarding Lead (DSL).
- Identifying alternate members of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role.
- Ensuring that the policies and procedures adopted by the Academy Committee, particularly concerning referrals of cases of suspected abuse, neglect or exploitation, are followed by all staff.
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures.

- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Lead (DSL)

3.6 The Designated Safeguarding Lead is a senior member of staff, normally from the leadership team who takes lead responsibility for safeguarding and child protection within our academy. The DSL will carry out their role in accordance with the responsibilities outlined in Annex C of [‘Keeping Children Safe in Education’](#).

3.7 The DSL will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child’s safety or welfare will be recorded in writing and given to the DSL.

3.8 During term time the designated safeguarding lead and or a deputy will always be available (during academy hours) for staff in the academy or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the academy site in person, we will ensure that they are available via telephone and/or any other relevant media.

3.9 The DSL at each academy will represent the academy at child protection conferences and core group meetings. Through appropriate training, knowledge and experience each DSL will liaise with Children’s Services and other agencies where necessary, and make referrals of suspected abuse to Children’s Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children.

3.10 The DSL will maintain records and child protection files ensuring that they are kept confidential and stored securely (see section 7 for more information.)

3.11 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained within the academy to the agreed academy’s [safeguarding training package](#) provided by Children’s Services.

3.12 The DSL will obtain details of the Local Authority Personal Advisor appointed to guide and support a child who is a care leaver.

3.13 The DSL(s) will work with the Principal and senior leaders, taking lead responsibility for promoting educational outcomes by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, or have experienced, and identifying the impact that these issues might be having on children’s attendance, engagement and achievement.

3.14 This will include understanding their academic progress and attainment and maintaining a culture of high aspirations for this cohort and supporting

teaching staff to provide additional academic support or reasonable adjustments to help children who have or have had a social worker reach their potential.

3.15 We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour, and mental health. The DSL will use the information that they hold about children with a social worker to make decisions in the best interests of the child's safety, welfare and help promote educational outcomes. The DSL will ensure that staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

3.16 The DSL will take the lead responsibility for understanding the filtering and monitoring systems and processes in place at the academy.

4. TRAINING & INDUCTION

4.1 When new staff join our academy they will be informed of the safeguarding arrangements in place. They will be given a copy of our academy's safeguarding policy along with the staff code of conduct, Part one and/or Annex A of '*Keeping Children Safe in Education*' and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. They will also receive a copy of the behaviour policy and the academy's response to children who are absent from education – this information is included in section 6 of this policy. All staff are expected to read these key documents. They will also be provided with information about how to record and report safeguarding concerns through CPOMS, and they will then be given a log-in and trained in how to use the system and where to go if they are concerned.

4.2 Every new member of staff or volunteer will receive safeguarding training during their induction period within the first few weeks of joining the academy. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child (including reassuring victims that they are being taken seriously and that they will be supported and kept safe), how to record, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistleblowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive online safety training, including understanding the expectations, applicable roles, and responsibilities in relation to filtering and monitoring as this is part of the overarching safeguarding approach of our academy.

4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and

responsibilities as set out in Part one of '*Keeping Children Safe in Education*'. In order to achieve this, we will ensure that:

- all members of staff will undertake appropriate safeguarding training on an annual basis, and we will evaluate the impact of this training.
- all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.
- Further safeguarding training and child protection courses, and information are available through the Trust CPD package [EduCare] as well as GovernorHub and the NGA website

4.4 All regular visitors, temporary staff and volunteers to our academy will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See Appendix 2). There are also pictures of the Safeguarding Team available in the entrance area. Any appropriate checks will be made and followed up, and a visitors badge will be issued. They will also be made known if there are any fire alarms or evacuation procedures in place for that day. Visitors may also be asked to turn off or hand in their personal mobile phone.

4.5 The DSL, the alternate designated member(s) of staff and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Norfolk or Suffolk Safeguarding Children's Partnership at least once every three years. The DSL and alternate(s) will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, DSLs will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role, by accessing information and courses provided by the local authority; attending termly DSL Network meetings; being part of a supervision process in-house; maintaining a Safeguarding Board for staff; and updating and refreshing staff knowledge at regular staff meetings.

4.6 Our Board of Trustees and Academy Committees will also undertake appropriate training to equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust whole academy approach to safeguarding. This training takes place at induction and is updated regularly.

Training for Governors to support them in their safeguarding role is available from [Norfolk Governor Services](#) or [Suffolk Governor Services](#), or further Trust training which can be accessed via the NGA of which the Trust is a member.

4.7 We actively encourage all our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex B of '*Keeping Children Safe in Education*' (2025) provides links to guidance on specific

safeguarding issues such as Child Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk and Suffolk Safeguarding Children Partnership and within the [Safeguarding Toolkit](#) on the [Norfolk Academics and Learning Providers website](#).

5. PROCEDURES FOR MANAGING CONCERNS

5.1 EMAT adheres to child protection procedures that have been agreed locally through the Norfolk or Suffolk Safeguarding Children Partnerships. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Continuum of Need Guidance](#). And associated Suffolk procedures, such as the [Suffolk Threshold Document and Guidance Matrix](#)

5.2 Every member of staff including volunteers working with children at our academy are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.

5.4 It is *not* the responsibility of academy staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.5 The Designated Safeguarding Lead (DSL) in each academy should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our academy. Any member of staff or visitor to the academy who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.6 All concerns about a child or young person should be reported without delay and recorded in writing using the agreed system in the setting (see Appendix 1 for suggested template). Visitors will use a paper template if needed, as they will not have access to the CPOMS system. Records should include:

- a clear and comprehensive summary of the concern
- details of how the concern was followed up and resolved
- a note of any action taken, decisions reached and the outcome

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from the Norfolk Children's Advice & Duty Service (CADS) as required or MASH for Suffolk pupils. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Norfolk or Suffolk Children's Services procedures as outlined in Appendix 3.

5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS or Suffolk MASH immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Principal. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk CADS/Suffolk MASH, or the police if:

- the situation is an emergency and the designated senior person, their alternate and the Principal are all unavailable.
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Principal or the Chair of the Academy Committee. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Norfolk CADS/Suffolk MASH directly with their concerns.

6. SPECIFIC SAFEGUARDING ISSUES

Contextual safeguarding

6.1 Within EMAT we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the academy environment and/or can occur between children outside of the academy. This is known as contextual safeguarding. It is key that all academy staff understand the definition of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as

much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges, and these are discussed in staff training. These additional barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration.
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

6.3 Within EMAT we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together, and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE), Child Criminal Exploitation (CCE): County Lines and serious violence

6.4 Within EMAT we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 At EMAT we recognise that Child Sexual Exploitation is a form of child sexual abuse, and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact; it can also occur through the use of technology. We understand that some children may not realise they are being exploited e.g. they may believe they are in a genuine romantic relationship.

6.6 At EMAT we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs.

6.7 We understand that children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm from others. We will treat these children as victims understanding that they have been criminally exploited even if the activity appears to be something they have agreed or consented to. We recognise the experience of girls who are criminally exploited can be very different to that of boys and that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

6.8 We ensure that all staff are aware of the indicators and risk factors which may signal a child is vulnerable to or involved with serious violent crime. We make reference to the Home Office's [Preventing youth violence and gang involvement](#), and [Criminal exploitation of children and vulnerable adults: county lines](#) and the [Children's Society Preventing Child Sexual Exploitation](#) guidance for more information.

6.9 If a child is suspected to be at risk exploitation or involvement in county lines, a referral to the Children's Advice and Duty Service (CADS) or MASH will be made alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

So-called 'honour-based abuse (including Female Genital Mutilation and Forced Marriage)

6.10 Within EMAT we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' abuse (HBA) and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBA, they should inform the DSL who will activate [local safeguarding procedures](#), using existing national and local protocols for multiagency liaison with police and children's social care.

6.11 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. [Section 5B of the Female Genital Mutilation Act 2003](#) (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (January 2020).

6.12 Within EMAT we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any

other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. Since February 2023 it has also been a crime to carry out any conduct whose purpose is to cause a child to marry before their eighteenth birthday, even if violence, threats or another form of coercion are not used. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fmu@fco.gov.uk

Preventing radicalisation and extremism

6.13 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. Within EMAT Academies, we will ensure that:

- Through training, staff, volunteers and governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in academy and how to respond when concerns arise.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our academy by using effective filtering and monitoring policies.
- The DSL has received Prevent training and will act as the point of contact within our academy for any concerns relating to radicalisation and extremism.
- The DSL will make referrals in accordance with [Norfolk Channel Procedures](#) or [Suffolk Channel Procedures](#) and will represent the academy at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Child on child sexual violence and sexual harassment

6.14 At EMAT all staff are trained so that they are aware that safeguarding issues can manifest themselves via child-on-child abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying).
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm.
- sexual violence and sexual harassment.
- upskirting.
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

6.15 We recognise that children are vulnerable to physical, sexual and emotional abuse by other children or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. We understand that abuse can occur in intimate personal relationships between children; and that consensual and non-consensual

sharing of nudes and semi-nude images and or videos¹ (also known as sexting or youth produced sexual imagery) is a form of child-on-child abuse.

6.16 We understand, that even if there are no reports in our settings it does not mean it is not happening, it may be the case that it is just not being reported. We recognise that pupils may not find it easy to tell staff about their abuse and can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim may not make a direct report, and this may come from a friend or a conversation that is overheard. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same safeguarding children procedures will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to child-on-child abuse and they will always challenge this. It must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'. Doing this can lead to a culture of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it.

6.17 Within EMAT we regularly review decisions and actions, and relevant policies are updated to reflect any lessons learnt. We look out for potential patterns of concerning, problematic or inappropriate behaviour. Where a pattern is identified, we decide upon an appropriate course of action.

6.18 In EMAT all staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor will a victim ever be made to feel ashamed for making a report. We will also offer appropriate support to the perpetrator and any other children involved.

6.19 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about child-on-child abuse. The DSL will respond to any concerns related to child-on-child abuse in line with guidance outlined in Part five of '*Keeping Children Safe in Education*.' We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.

6.20 We will work with other agencies including the police and Children's Social Care, as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that we ensure we are offering the right support to the child(ren).

6.21 Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in academy whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre](#)

¹ UKCIS guidance: [Sharing nudes and semi-nudes advice for education settings](#)

[Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on [The Harbour Centre website](#). The DSL will always contact the police in cases of rape and serious sexual assault as per the guidance [When to call the Police: a guide for academies and colleges, National Police Chiefs Council](#).

For Suffolk, victims can access The Ferns [<http://theferns-suffolk.org.uk/>]

Modern Slavery

6.22 At EMAT we understand that modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs. We refer to the DfE guidance [Modern slavery: how to identify and support victims](#) for concerns of this nature.

Safeguarding responses to children who are absent from education

6.23 In EMAT we adhere to the '[Working Together to Improve Academy Attendance](#)' (2024) guidance. All staff should be aware of their safeguarding responsibilities for children who are absent from education, particularly on repeat occasions, or for prolonged periods, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of them going missing in future.

6.24 As a Trust we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who are absent from education:

- An attendance register is taken at the start of the first session of each academy day and once during the second session.
- We make every effort to contact parents and carers and follow up with the emergency contacts held.
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from academy.
- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children.
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- We understand we remain responsible for the safeguarding of all pupils who are placed in an alternative provision.

- When removing a child from roll at the standard and non-standard transition points, we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

[Please see individual Annex A Children Absent from Education statements for each academy as part of their Safeguarding and Child Protection procedures.]

Mental Health

6.25 Within EMAT all staff are made aware, through training, that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

6.26 We understand that where children have suffered abuse, neglect or exploitation, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *also* a safeguarding concern, they should take immediate action by passing the information on to a Designated Safeguarding Lead.

6.27 Within each EMAT Academy, we have a named Mental Health Lead. There are clear systems and processes in place for identifying possible mental health problems and work with other agencies as required to respond to these concerns. Designated Safeguarding Leads make reference to the ['Mental Health and Behaviour in Academics'](#) DfE guidance for further support.

Online Safety

6.28 All Academy staff are aware that technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. We understand that in many cases abuse will take place concurrently via online channels and in daily life. We know that children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.

6.29 As part of the requirement for staff to undergo regular updated safeguarding training, online safety training is also delivered. We will ensure online safety is a running and interrelated theme throughout the curriculum and is reflected in relevant policies, teacher training, the role and responsibilities of the designated safeguarding lead and any parental engagement.

6.30 Our Filtering and Monitoring for academies is provided by Turn It On – our current IT support and providers. They are responsible for setting up the

initial filtering and monitoring to enable our academies to function safely online with all pupils, whilst not over-restricting usage, so that parts of the curriculum become inaccessible. In addition, the DSL will oversee the Filtering and Monitoring in each academy and report back regularly to Academy Committee, who in turn will report to the Board. The Board of Trustees will have oversight of Filtering and Monitoring across the Trust. All academies are expected to meet the Digital and Technology Standards in Schools and Colleges. More details can be found in our policies on Online Safety and Mobile and Smart Technology which consider the 4Cs, content, contact, conduct and commerce and reflect the fact that many children have unlimited and unrestricted access to the internet via mobile phone networks (i.e. 3G, 4G and 5G).

6.31 At EMAT we recognise that technology, and risks and harms related to the internet evolve and change rapidly. Therefore, we carry out an annual review of our approach to online safety, supported by a risk assessment (on at least an annual basis) that considers and reflects the risks that children face in our setting. We also communicate with parents and carers to reinforce the importance of children being safe online.

Cybercrime

6.32 We understand that cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyber-enabled' (crimes that can happen off-line but are enabled at scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer). We are aware of the [Cyber security standards for academies and colleges.GOV.UK](#) and the guidance from [the National Education Network](#).

6.33 If there are concerns about a child in this area, the designated safeguarding lead will consider a referral to the [Cyber Choices programme](#) which aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests. It aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

Domestic Abuse

6.34 All academy staff are aware that domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial or emotional. We understand that children can be victims of domestic abuse. Where they see, hear or experience the effects this can have a detrimental and long-term impact on their health, well-being, development, and ability to learn. We are aware of the [Norfolk Integrated Domestic Abuse Service \(NIDAS\)](#) and signpost victims to the service. [Norfolk and Suffolk Victim Care](#) are available to offer support where threshold for NIDAS support has not been met.

Children with special educational needs and disabilities or physical health issues

6.35 Within EMAT we recognise that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges such as

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration.
- these children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children.
- the potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in managing or reporting these challenges.

6.36 We work to address these additional challenges and consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.

6.37 As a Trust, we also recognise that pupils who attend Alternative Provision will often have complex needs and due to this we are aware of the additional risk of harm these children may be vulnerable to.

Children who are lesbian, gay, bisexual or questioning their gender

6.38 The fact that a child or a young person may be lesbian, gay, bisexual or questioning their gender is not in itself an inherent risk factor for harm. However, in line with 'Keeping Children Safe in Education', we recognise that these children and in some cases children who are perceived by other children to be lesbian, gay or bisexual can be just as vulnerable as children who are. Therefore, we work to reduce any additional barriers faced and provide a safe space for these children to speak out or share their concerns with members of staff. Through our curriculum, we counter homophobic, biphobic and transphobic bullying and abuse.

7. RECORDS AND INFORMATION SHARING

7.1 If staff are concerned about the welfare or safety of any child at our academy, they will record their concern either on the agreed reporting form (Appendix 1) or through the setting's electronic system. Any concerns should be passed to the DSL without delay. CPOMS is used as standard across the Trust, and all staff are expected to use this platform to record concerns. However, visitors to an academy will not have access to the online system, so if requested or needed, they will be issued a paper recording sheet which, when completed, will be handed to the DSL to record on CPOMS.

7.2 Any information recorded will be kept in a separate named electronic file [via CPOMS], and if a paper system is used it will be held in a secure cabinet and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within academy on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

7.3 Child protection information will be kept up to date. Each concern logged will include:

- a clear and comprehensive summary of the concern.
- details of how the concern was followed up and resolved.
- a note of any action taken, decisions reached and the outcome.

In EMAT we will keep detailed, accurate, secure written records of all concerns, discussions and decisions made including the rationale for those decisions. This includes instances where referrals were or were not made to another agency such as the Children's Advice and Duty Service, MASH or the Prevent programme. Invitations to child protection conferences, core groups and all other multi-agency meetings and minutes taken at these will be stored on the child's file whether an electronic or paper system is used. All our safeguarding records will include a chronology, contents front cover and will record significant events in the child's life.

7.4 When a child leaves any of our academies, (including in year transfers) the DSL will contact the DSL at the new academy and will ensure that the child protection file is forwarded to the receiving academy. This will be within 5 days for an in-year transfer or within the first 5 days of the start of a new term. We recognise that not providing information as per the timescales can impact on the child's safety, welfare and educational outcomes.

7.5 We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving academy and/or evidence of recorded delivery.

7.6 Prior to a child leaving we will consider if it would be appropriate to share any additional information with the new academy or college in advance to help them put in place the right support to safeguard this child.

7.7 Where a parent elects to remove their child from the academy roll to home educate, the academy will make arrangements to pass any safeguarding concerns to the [Services to Home Educators Team](#) within Norfolk County Council, or the Elective Home Education Team in Suffolk [ehe@suffolk.gov.uk or on 01473 265139].

8. WORKING WITH PARENTS & CARERS

8.1 EMAT is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

8.2 When new pupils join any of our academies, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on each academy website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to contact Norfolk Children's Advice & Duty Service or Suffolk MASH.

8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so in order to safeguard a child from harm.

8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the academy has about a child will not prevent the DSL making a referral to Norfolk CADS/Suffolk MASH in those circumstances where it is appropriate to do so.

8.5 In order to keep children safe and provide appropriate care for them, the academy requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives.
- Full names and contact details of all persons with parental responsibility (if different from above).
- Emergency contact details (if different from above).
- Full details of any other adult authorised by the parent to collect the child from academy (if different from the above).

Each academy will retain this information on the pupil file. The academy will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission, and the academy has been supplied with the adult's full details in writing.

8.6 At EMAT we are working in partnership with Norfolk and Suffolk Constabularies and Norfolk and Suffolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic abuse in their household or a missing from home or care episode; this scheme is called Operation Encompass. In order to achieve this, Norfolk and Suffolk Children's Services staff will share police information of all domestic incidents where one of our pupils has been present or experienced a missing episode with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the 'Norfolk Operation Encompass Protocol', as well as the Suffolk equivalent. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. CHILD PROTECTION CONFERENCES

9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the academy in respect of individual children. Usually, the person representing the academy at these meetings will be the Principal or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

9.3 All reports for child protection conferences will be prepared in advance using the [guidance](#) and [template report](#) provided by the Norfolk and Suffolk Safeguarding Children Partnership. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional, and intellectual development, the child's presentation at academy and information about academy attendance. To complete such reports, all relevant information will be sought from staff working with the child in academy.

9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children, and our aim is to achieve this in partnership with our parents.

10. SAFER RECRUITMENT

10.1 We will ensure that the Principal and at least one member of the Senior Leadership Team, and also a member of the Academy Committee have completed appropriate safer recruitment training. At all times the Principal and EMAT People Advisory Services will ensure that safer recruitment practices are followed in accordance with the requirements of '*Keeping Children Safe in Education*', DfE (2025). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 Within EMAT we will use the recruitment and selection process to deter and prevent people who are unsuitable to work with children from applying for or securing employment, or volunteering opportunities.

10.3 We require details of a candidate's present (or last) employment and reason for leaving; full employment history, (since leaving academy, including education, employment and voluntary work) including reasons for any gaps in employment and evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will

question the contents of application forms if we are unclear about them, and shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.

10.4 Within EMAT we use a range of selection techniques to identify the most suitable person for the post. Structured questions are agreed by the interview panel and any potential areas of concern are explored to determine the applicant's suitability to work with children.

10.5 We will undertake Disclosure and Barring Service checks, and other pre-employment checks as outlined in *'Keeping Children Safe in Education'* to ensure we are recruiting and selecting the most suitable people to work with our children.

10.6 We will maintain a Single Central Record (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff – usually the Principal, will check the SCR regularly with a member of the PAS Team to ensure that it meets statutory requirements.

10.7 In EMAT we recognise that safer recruitment is not just about carrying out the right DBS checks and is not limited to recruitment procedures. Therefore, we understand the importance of continuous vigilance, maintaining an environment that deters and prevents abuse and challenges inappropriate behaviour. Further information about all of these processes can be found in our Recruitment and Selection policy.

11. SAFER WORKING PRACTICE

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

11.2 All staff will be provided with a copy of our Trust code of conduct at induction. They will be expected to know our Trust's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps or other Safer Handling training will be kept by the Principal.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in academy, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice

can be found in [‘Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings’](#) (February 2022). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

Allegations that may meet the harms threshold

12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children within our Trust. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. We work to the thresholds for harm as set out in *‘Working Together to Safeguard Children’* (2023) and *‘Keeping Children Safe in Education’*, DfE (2025) below. An allegation may relate to a person who works / volunteers with children who has:

- behaved in a way that has harmed a child or may have harmed a child and/or.
- possibly committed a criminal offence against or related to a child and/or.
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

The 4th bullet point above recognises circumstances where a member of staff (including supply teachers) or volunteer is involved in an incident outside of academy/college which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

12.3 Within EMAT we recognise our responsibility to report / refer allegations or behaviours of concern and / or harm to children by adults in positions of trust who are not employed by the Academy to the LADO service directly at lado@norfolk.gov.uk or lado@suffolk.gov.uk These are adults such as those in the voluntary sector, taxi drivers, escorts, and fosters carers.

12.4 We will take all possible steps to safeguard our children and to ensure that the adults in our academy are safe to work with children. When concerns arise, we will always ensure that the procedures outlined in the local protocol [Allegations Against Persons who Work with Children](#) and Part 4 of *‘Keeping Children Safe in Education’*, DfE (2025) are adhered to and will seek appropriate advice. The first point of contact for academies regarding concerns

and/ or allegation issues (including for supply teachers) is via the Local Authority Education Duty Desk on 01603 307797. A Duty Advisor (not a LADO) will give advice and guidance on next steps. If the advice is to make a referral to the LADO service then the [LADO referral form](#) should be completed. The completed LADO referral form is then sent via e-mail to: LADO@norfolk.gov.uk. For Suffolk academies, they should use the guidance and forms found at <https://www.suffolksp.org.uk/working-withchildren-and-adults/children/local-authority-designated-officers-lado/> . See Appendix 4 for further details.

12.5 If an allegation is made or information is received about *any* adult who works/ volunteer in our setting which indicates that they may be unsuitable to work / volunteer with children, the member of staff receiving the information should inform the Principal immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Principal, this will be reported to the Chair of the Academy Committee. In the event that neither the Principal nor Chair of the Academy Committee is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Principal or the Vice Chair of the Academy Committee.

12.6 The Principal or Chair of the Academy Committee will seek advice from the LADO within one working day. No member of staff or the Academy Committee will undertake further investigations before receiving advice from the LADO.

12.7 When using a supply agency, we inform the agency of our process for managing allegations against staff and keep them up to date with any policy developments. Where concerns are raised about an individual and the academy is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the academy will usually take the lead in conducting an investigation as we have direct access to any affected children and other academy staff to collect the facts.

12.8 Any member of staff or volunteer who does not feel confident to raise their concerns with the Principal or Chair of Governors should contact the LADO directly via email to lado@norfolk.gov.uk. Or lado@suffolk.gov.uk

12.9 Further [information and guidance documents in relation to the LADO process](#), forms, leaflets and the Allegations against Persons who Work/Volunteer with Children Procedures are found on the Norfolk Safeguarding Children Partnership website. Further national guidance can be found at: [Advice on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is

available from 8:00am to 8:00pm, Monday to Friday or via e-mail:
help@nspcc.org.uk.

12.10 The Trust, and by delegation, each academy, has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our academy, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR. The academy must also consider whether to refer the case to the Secretary of State (via the Teaching Regulation Agency) if a teacher is dismissed or the setting ceases to use the services of a teacher because of serious misconduct or might have dismissed them or ceased to use their services had they not left first.

Concerns that do not meet the harm threshold

12.11 The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the thresholds as stated above. In Norfolk and Suffolk the 'low level' concern process is to consult with the Local Authority Education Duty Desk. In EMAT we recognise a low-level concern to be something which is

- inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and
- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

12.12 In EMAT we promote an open and transparent culture in which all concerns about all adults working in or on behalf of the academy or college (including supply teachers, volunteers and contractors) are dealt with promptly and appropriately. Through training, staff are made aware of what low level concerns are and understand the importance of reporting and these types of concerns in writing.

12.13 Within EMAT Academies staff report all low-level concerns to the DSL or the Principal. If reported to the DSL, then the DSL will inform the Principal of the concern in a timely fashion. The Principal will always be the ultimate decision maker in respect of all low-level concerns.

12.14 Through training and induction, we ensure that all staff understand the importance of self-referring, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.

12.15 Within EMAT we understand the importance of recording low-level concerns and the actions taken in light of these being reported. The records

are kept confidential and stored securely. We will review the records we hold to identify potential patterns and take action. This could be through a disciplinary process but also by referring to the appropriate Local Authority Education Duty Desk. Please note, where a child, parent/carer or staff member makes an allegation of harm, this will not be considered as a 'low level' concern without consultation with the Local Authority Education Duty Desk or the LADO service directly.

12.16 We recognise that low level concerns should not be included in references unless they relate to issues which would normally be included in a reference, for example, misconduct or poor performance. However, where a low-level concern (or group of concerns) has met the threshold for referral to the LADO and found to be substantiated, it should be referred to in a reference.

13. Use of premises for non-academy/college activities

13.1 Where we hire or rent out our facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) we ensure that appropriate arrangements as per the DfE guidance [After-academy clubs, community activities and tuition: safeguarding guidance for providers](#) are in place to keep children safe.

13.2 We will seek assurances that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed). Safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

13.3 If an allegation is made relating to an incident that happened when an individual or organisation was using academy premises for non-academy/college activities, we will follow the safeguarding policies and procedures, included in section 12 above.

14 RELEVANT POLICIES

14.1 To underpin the values and ethos of our academy and our intent to ensure that pupils at our academy are appropriately safeguarded the following policies are also included under our safeguarding umbrella:

- EMAT Code of Conduct
- Local Handbook
- Anti-Bullying
- Behaviour which includes measures to prevent bullying (including cyberbullying, prejudice-based and discriminatory bullying)
- Recruitment & Selection which adheres to Part 3 of [Keeping Children Safe in Education](#).
- EMAT Whistleblowing
- EMAT Attendance
- EMAT E-Safety Policy
- EMAT Health and Safety including site security

- EMAT Positive Management of Aggressive or Violent Behaviour
- EMAT Children with Health Needs who cannot attend School
- Intimate Care
- First aid
- EMAT Educational visits
- RSHE

15. STATUTORY FRAMEWORK

This policy has been devised in accordance with the following legislation and guidance:

- [Working Together to Safeguard Children](#) DfE (December 2023)
- [Keeping Children Safe in Education](#) DfE (2025)
- [Working Together to Improve Academy Attendance, DfE \(2024\)](#)
- [Norfolk Safeguarding Children Partnership procedures](#)
- [Norfolk Safeguarding Children Partnership Protocol: Allegations Against Persons Who Work with Children](#)
- [Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#) (Feb 2022)
- [What to do if you're worried a child is being abused](#) DfE (March 2015)
- [Information sharing: advice for practitioners providing safeguarding services](#) DfE (May 2024)
- [The Prevent duty: Departmental advice for academies and childcare providers](#) DfE (September 2023)
- [The Prevent duty: safeguarding learners vulnerable to radicalisation \(September 2023\)](#)
- [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (January 2020)
- [Multi-agency practice principles for responding to child exploitation and extra-familial harm](#)
- [Child sexual exploitation: guide for practitioners](#) DfE (February 2017)
- [Teaching online safety in academy](#) DfE (January 2023)
- [Mental Health and Behaviour in Academies](#) DfE (November 2018)
- [Data protection: toolkit for academies](#) DfE (June 2025)
- [Promoting the education of children with a social worker](#) (March 2024)
- [Preventing youth violence and gang involvement](#)
- [Criminal exploitation of children and vulnerable adults: county lines](#)
- [Relationships Education, Relationships and Sex Education \(RSE\) and Health Education](#)
- [Domestic Abuse Act 2021 Statutory Guidance](#) (Home Office April 2023)

16. Governance

Safeguarding Governance and Responsibilities

Safeguarding is the highest priority across the Trust. The Board of Trustees ensures safeguarding is monitored rigorously and effectively at both trust and academy level, in line with *Keeping Children Safe in Education (KCSIE)*. Robust systems of monitoring, reporting, and assurance are in place so that governors and trustees can be confident that safeguarding is effective in every academy.

Trust Board (Ultimate Accountability)

The Board of Trustees holds ultimate responsibility for safeguarding and ensures assurance is gained through:

- Receiving **regular safeguarding reports** from the Trust Safeguarding Lead, including where applicable, data, audits, and trend analysis.
- Reviewing **annual safeguarding audits**, commissioned by the Trust and conducted by the Trust Safeguarding Lead (with external validation where appropriate). NB: Norfolk and Suffolk undertake separate Safeguarding Audits on a rolling programme basis.
- Ensuring safeguarding is tabled within the **Forward Agenda Planning** at Board meetings, with opportunities to challenge and probe reports.
- Receiving **feedback from academy committees** via Chairs of Governors and safeguarding link governors through Chairs' Forum and Academy Committee Reporting.
- Holding the Chief Executive to account for ensuring safeguarding culture, compliance, and improvement across the Trust.

Assurance: The Board seeks assurance not just from reports, but from the challenge and triangulation provided by **audits, external reviews, and local governor scrutiny**.

Chief Executive (Oversight, delegated to Trust Safeguarding Lead)

The Chief Executive ensures safeguarding is strategically led and embedded by:

- Delegating day-to-day monitoring to the Trust Safeguarding Lead.
- Ensuring safeguarding is **regularly reported** to the Board with transparent information.
- Making certain that findings from **audits and governor reports** are addressed and resourced.
- Maintaining responsibility for ensuring safeguarding risks are identified, escalated, and mitigated.

Trust Safeguarding Lead (Reporting Person to the Board)

The Trust Safeguarding Lead is the **named reporting officer** to the Board and is expected to:

- Produce regular **safeguarding reports** for the Board, evidencing compliance, trends, and impact.
- Conduct the **annual safeguarding audits** across all academies, reporting findings and recommendations to both academy committees and the Board.
- Provide **support and training** to DSLs and governors but also bring **challenge** to ensure improvement.
- Facilitate a **safeguarding network** across the Trust to share best practice and drive consistency.
- Writing the termly Trust Safeguarding Newsletters to keep all staff abreast of updates and relevant changes.
- Be directly available to the Named Trustee for Safeguarding for further scrutiny and assurance.

Expectation: The Trust Safeguarding Lead is not only supportive but also a **critical friend** who brings independent challenge, ensuring the Board receives an honest assessment of safeguarding practice.

Academy Committees (Local Governance)

Academy Committees play a crucial role in **scrutinising safeguarding on the ground**. Their responsibilities include:

- Receiving **termly safeguarding reports** from the Principal and DSL, and asking probing questions about data, trends, and actions taken.
- Monitoring the **implementation and impact** of the safeguarding policy within their academy.
- Ensuring that **local challenges** (attendance, behaviour, exclusions, referrals) are understood and addressed.
- Providing feedback to the Trust through **committee minutes and reports** to the Board.
- Participate in **Safeguarding Audits** alongside the Trust Safeguarding Lead.
- Ensuring the **link safeguarding governor** meets regularly with the DSL, undertakes visits, and reports findings back to the committee.

Expectation: Local governors, particularly the **Chair** and **link safeguarding governor**, are expected to not only understand safeguarding but to **bring challenge, triangulate evidence, and escalate concerns** to the Trust if necessary.

Named Trustee for Safeguarding

The Named Trustee provides additional focus by:

- Acting as the **Board's safeguarding champion** and link to the Trust Safeguarding Lead.
- Reviewing reports, audits, and local governor feedback to ensure concerns are raised at Board level.
- Meeting termly with the Trust Safeguarding Lead to discuss assurance and risks in more detail.

Annual Audit

- The **Trust Safeguarding Lead** conducts the annual safeguarding audit of every academy.
- *Where appropriate*, audits may be **externally validated** to strengthen independence.
- Governors and DSLs take part in the audit process, providing evidence and context.
- Audit findings are reported to **academy committees** (for local action) and the **Board of Trustees** (for assurance and challenge).
- The audit cycle ensures the Board receives a **yearly comprehensive review**, alongside any monitoring reports.

Summary

Through **termly reporting, annual audits, and structured local-to-trust feedback loops**, the Trust Board receives robust assurance that safeguarding policies are compliant, procedures are effective, and practice protects children. Local governors and chairs are not only trained but are **expected to challenge, monitor impact, and report upward**, ensuring safeguarding is rigorously scrutinised at every level.

Appendix 2: Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our academy we take this responsibility seriously.

If you have any concerns about a child or young person in our academy, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from the office and the staffroom. Please ensure you complete all sections as described asking staff members for support.

If you are unable to locate them ask a member of the academy office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low-level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the Principal. If an allegation is made about the Principal you should pass this information to the Chair of the Governing Board. Alternatively, you can contact the Local Authority Duty Desk on 01603 307797. [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

The people you should talk to in academy are:

Designated Safeguarding Lead (DSL): James Grimsby

Location of office: Head's Office Contact Number: 01553 672385

Deputy Designated Lead: Nikki Graham

Location of office: Head's Office Contact Number: 01553 672385

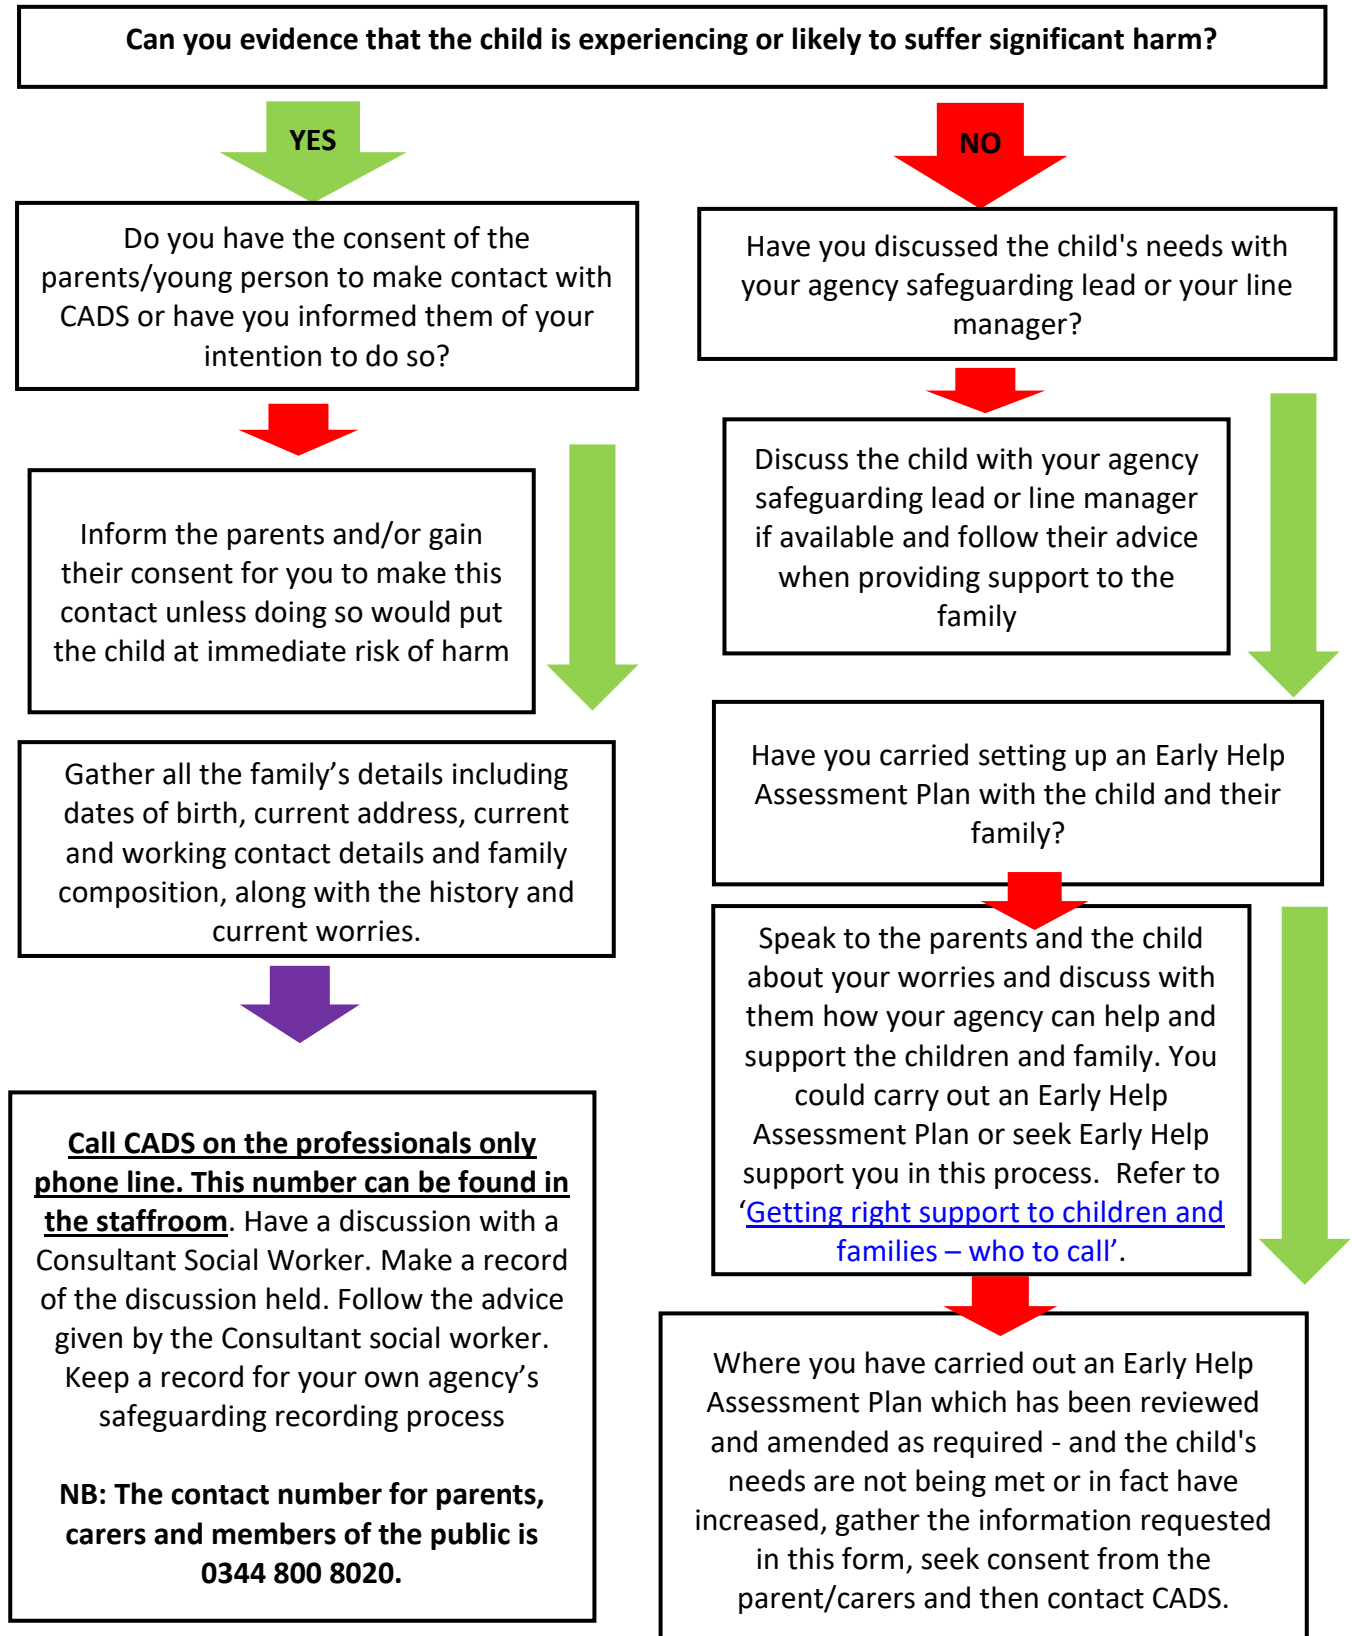

Chair of Governing Board: Oliver Whitby

Contact Number: Can be located in staffroom – please ask an office staff member or email oliver.whitby@eatern-mat.co.uk

At North Wootton Academy, we strive to safeguard and promote the welfare of all our children.

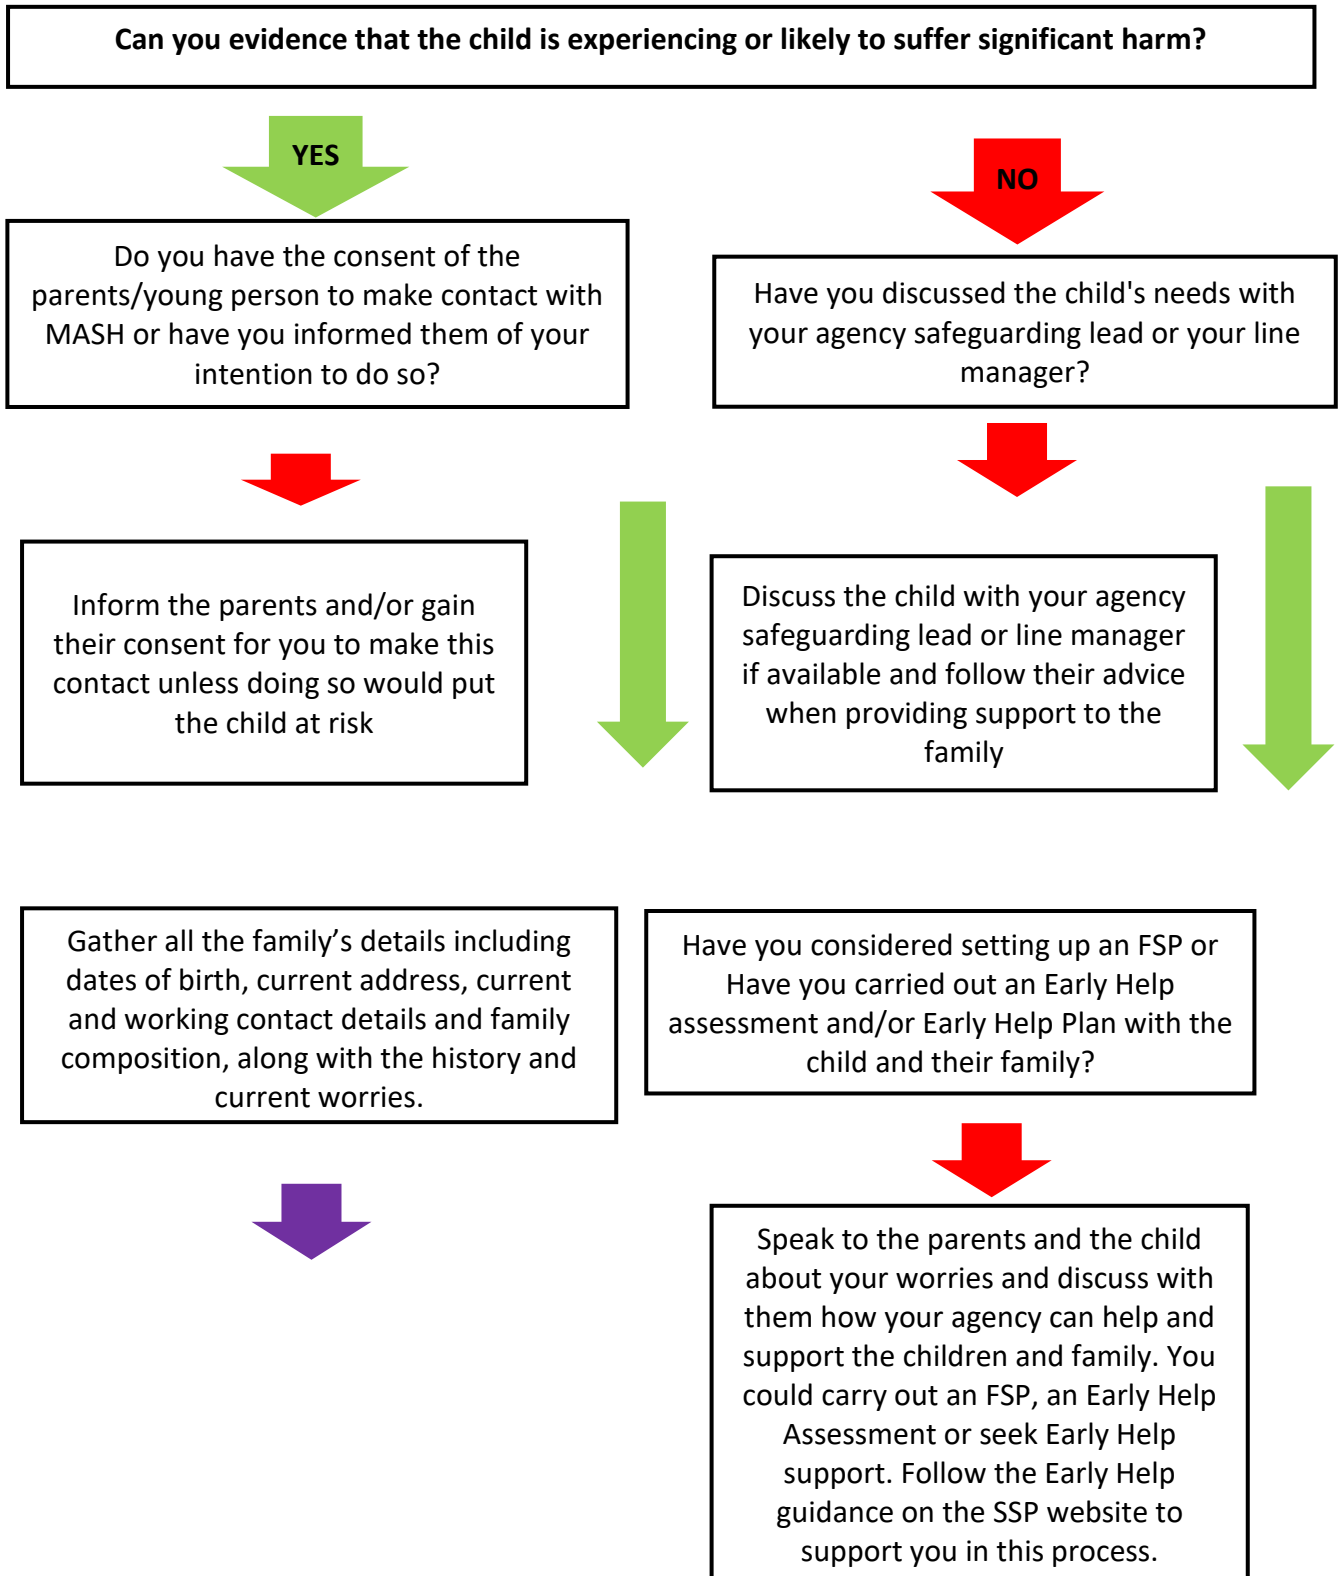

Appendix 3: Local Safeguarding Procedures Children's Advice and Duty Service- CADS

Before contacting CADS, please answer the following questions and follow the advice provided:

**Appendix 3: Local Safeguarding Procedures - Suffolk
Multi Agency Safeguarding Hub- MASH (0345 606 1499)**

Before contacting MASH, please answer the following questions and follow the advice provided:

Call MASH on the phone line. This number can be found in the staffroom.

Have a discussion with a Consultant Social Worker. A copy of the discussion will be securely emailed or posted to you. Follow the advice given by the Consultant social worker.
Keep a record for your own agency's safeguarding recording process

**NB: The contact number is
0345 606 1499.**

Where you have carried out an Early Help Assessment and Plan which has been reviewed and amended as required - and the child's needs are not being met or in fact have increased, gather the information requested in this form and then contact MASH

Suffolk Safeguarding Partnership

Policy for Safeguarding incorporating Child Protection Annex A

Academy-specific information

To be completed and published on individual academy websites. The local AC must approve Annex A at the first meeting of each new academic year:

Academy-specific information must include the following, relevant to the current academic year:

- In addition to the procedural elements of Safeguarding, North Wootton Academy believes that educating our child in how to keep themselves safe is fundamental to our approach. The school has carefully planned an extensive pastoral curriculum that aims to cover many areas of safeguarding and preparation for adult life in modern Britain. In the main, the programme of study is based upon the recommendation of the PHSE Association and Relationships education, relationships and sex education (RSE) and health education guidance, but is supplemented by a range of other resources such as:
 - - NSPCC Pants are Private
 - - Project Evolve Online Safety
 - - RNLI water safety passport
 - - Brake 'Beep Beep Day' road safety
 - - Sun Safe Schools
 - - 'Clever Never Goes' stranger danger
 - - St John's Ambulance First Aid
 - - Fire Service Fire Safety
 -
- Online Safety is a key element of keeping our pupils safe in the modern world, particularly in recent years, where pupils have been forced to engage far more on such a platform. Therefore, beyond the basic online safety curriculum that we teach, additional rules and procedures are outlined in the behaviour and online safety policy to ensure that pupils and staff can work safely remotely when needed. Underpinning this approach is a whole school understanding of 'If in doubt, minimize and shout out' where we ask all pupils to seek support whenever they are exposed to something of concern online. This includes inappropriate social media use whereby we ask pupils and families to share any concerning chats between our pupils with the class teachers to allow the school to deal with this as a school behavior issue. Finally, we complete regular reviews of this area through Digital Leaders, pupil safety surveys and parent awareness sessions.
- In the last two years, we have also looked to raise the role of pupil voice within our curriculum, basing a number of subjects such as RE in oral learning tasks. We believe that through the teaching of proper, respectful debate and reinforcing that everybody's voice is important but not necessarily right, this will protect our pupils in a world in which they are exposed to many opinion-based ideas and misinformation.

Roles and Responsibilities of adults within the School

- No adult can enter the school building without appropriate DBS checks or full supervision such as parents attending sport's days. In addition, all visitors are given information upon our procedures upon entry - Appendix B. Therefore, all adults who enter will understand that it is everyone's responsibility to keep our children safe.
- To this aim, it is the responsibility of all adults to understanding their safeguarding training and report/follow-up on any concerns that they have about a child, staff member or member of the school community to the safeguarding team.

Educating our adults

- Keeping children safe is everybody's responsibility and therefore, the school aims to ensure that all adults (including support staff such as cleaning, kitchen etc.) who enter the building on a regular, unsupervised basis have up-to-date skills and knowledge through the annual delivery of Norfolk's core safeguarding training each September, linked to the updated Keeping Children Safe in Education.
- In addition, follow-up training is held termly with teaching staff on key issues relating to this document in order to deepen the staff's understanding together with the distribution of newsletters. With regard to temporary staff, non-routine volunteers or new visitors to the school, information is either provided through a written description upon signing in or through a short induction on localised procedures depending upon their role.
- All teaching staff complete a short test to ensure that processes are well understood. Where visitors and non-teaching staff are directly asked if they understand the procedures before entering.

Safeguarding Actions by our adults

- Should any adult have a safeguarding concern within the school, they are asked to follow strict reporting procedures:
- Any safeguarding concern should be verbally reported to a D(D)SL as soon as possible before being recorded on the school's safeguarding system – CPOMS – and assigned to the safeguarding team.
- In the case of a member of non-teaching staff or volunteer, who do not have a login for this system, should inform a D(D)SL immediately who will direct them to a paper record of concern, located in the office and staff room. Their concerns should be noted on a paper form and passed to James Grimsby or Nikki Graham (or another Deputy DSL in their absence), who will upload this on to CPOMS and follow-up the concern.

- When completing a cause for concern, adults must ensure they include the three what's: what was said or seen, what actions were taken and what is their concern/opinion (using a blue or black pen if on paper).
- Each referral should be timed stamped in regard to being given to the (D)DSL and them taking action (this being immediately as much as is possible). The next steps of follow up will be lead by the (D)DSLs which may include pupil and parent meetings or information gathering activities such as Feeling and Wishes or a Day in the Life task.
- At this point, (D)DSLs will use the Local Authorities Threshold Guides to determine what level of action is required, most notably whether the external advice from Children's Advice and Duty Service (CADS) is sought. In this case, such contact can only be made without parental consent if there is sufficient evidence to feel that a child will be harmed by waiting or through seeking this permission.
- After all follow-up actions have been completed (D)DSLs must report back to the initial adult who raised the concern either electronically or in person to check that they are confident with the resolution. If not, the adults can request that further action is taken or can contact CADS themselves.
- In addition, any member of staff or member of the public can make a referral to children's services on 0344 800 8020 if they feel that a child is at risk of immediate serious harm outside of normal school hours.

Safeguarding Team

- It is important to note that the school's safeguarding is managed by a team of professionals each with a specific focus and training background:
 - Designated Safeguarding Lead (DSL): James Grimsby (Upper School/Online)
 - Deputy Designated Lead (DDSL):
 - Sam Broughton (Lower School/Early Help)
 - Nikki Graham (Attendance Lead/Domestic Abuse Champion)
- The importance of the Safeguarding Team is ensuring that all decisions have oversight, within fortnightly meeting, where the follow-up actions for each concern are reviewed.
- All referrals should initial assigned to James Grimsby or Nikki Graham as they are non-teaching and often in the best position to deal with the concern immediately. They may then delegate the follow-up actions to other DSLs dependent upon the area of concern or age of the pupil.
- The school also has a named Safeguarding Governor: Clare Smith, who, together with the trust's safeguarding lead, Mark Cresswell, oversees the Principal's coordination of safeguarding through an annual safeguarding audit and termly review meeting.

Academy-branded version of the referral form

Any information routinely given to visitors to support safeguarding

Online Safety

- James Grimsby is responsible for online safety as computing lead and therefore, it responsible for ensuring the school has robust filtering and monitoring systems within the school in conjunction with the school's IT management company TurnIT on and is overseen by the Academy Council Chair, Oliver Whitby.

Mental Health Support

- Ensuring the mental health of our pupils is a key element to our safeguarding approach and therefore, Michele Buschman is a qualified Senior Mental Health lead who work in conjunction with Sarah Machetti, an Emotional Literacy Support Assistant to provide emotional support to those pupils seen at risk. In addition, the school work's with the Kings Lynn Mental Health School's Support Team, who oversee this work and allow the school to refer pupils onto their service where necessary. In addition, the provide mental health workshops for our pupils and families.

Attendance Monitoring

A key element of our safeguarding approach is school attendance as this enables the school to monitor safety of the pupils on an almost daily basis. However, through illness and personal circumstance, this is not always possible and therefore, any unexplained absence must be followed up immediately:

- For any child that does not attend school, on the first morning of absence, the school will text the parent to identify why the child is not in school between 9:30am and 10:00am, asking the families to contact the school as soon as possible.
- By 10:30am, the attendance lead will be passed a list of absentees for the day with notes regarding reasons for illness and those with unknown absence highlighted in order to identify any patterns of concerns and escalate any response.
- If we still have not had an answer by mid-morning, the office will ring the parent/carer directly. The office will continue to phone, email and text home and other known contacts until someone is reached.
- Should the whereabouts of the pupil still be unknown by day 2, the attendance lead will discuss this with the Principal (this will take place on Day 1 for families of concern). Messages will then be left instructing parent/cares to contact the school by lunchtime to prevent the need for a home visit and secondary contacts or places of work will be contacted.
- If a child is absent from school for 3 consecutive days with no reason for absence, the Principal and Attendance Lead will conduct a home

visit. If there is nobody at home the school will contact LA attendance team and a CME form will be completed.

In addition, should pupil be absent for more than three days preceding or following a school holiday, the school will look to complete a home visit, regardless if the reason for absence has been reported.

Attendance Concerns

- The school needs to prioritise pupil's attendance and therefore, we will take all steps necessary to ensure pupils are present if well enough to attend.
- Pupil's attendance is therefore formally reviewed each month (weekly/daily where there are already concerns) with those highlighted as being absent for more than 10% of the school year highlighted as having persistent absence. The Safeguarding team will review the patterns and causes for absence and decide whether an initial parent/carer meeting is needed to put steps in place to improve attendance.
- Parents will also be informed in writing at the end of each term if they are within the persistent absence threshold or approaching this and notifying them of the possibility of further action being taken.
- Where informal meetings have not had a positive impact upon a child's poor attendance, this action will be fast tracked to an attendance panel meeting, involving the local authority's attendance team where needed. Continued persistent absence or episodes of in-school holidays will then result in a Fixed Penalty Notice by this team.

External Agencies

At North Wootton, we are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve this, Norfolk Multi-Agency Safeguarding Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s).

On receipt of any information the MASH team will advise the Designated Safeguarding Lead on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the 'Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Schools'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

The school also works with the local Mental Health Support in Schools Team; the Pandora Project (<https://www.pandoraproject.org/contact-us/>) for those

children who may have witnessed domestic abuse and the Matthew Project ([01603 626123](tel:01603626123)) for those impacted by drug and alcohol abuse.

When dealing with cases of domestic abuse, the following services support the school:

- [National Domestic Abuse helpline](tel:08082000247) call: 0808 2000 247
- [NIDAS](tel:03005610555) call: [0300 561 0555](tel:03005610555)
- Norfolk support – [Leeway](tel:03005610077) call: 0300 561 0077

In addition, most external agencies can be contacted through Just One Norfolk (0300 300 0123).

Touching within the School

Physical contact between pupils and staff within school is governed by the Positive Behaviour and Intimate Care and Touching Policies. As a school, we do believe touching is needed at times and these policies provide specific procedures in order to keep both adults and pupils safe within school. In most cases, this will be through clearly articulated plans that have been agreed with the child's guardians.

However, at times spontaneous contact may be required in order to keep pupils safe e.g. stopping them near a road or to provide compassion and care in a moment of distress. In all cases, contact should be proportionate and mindful of STEPS training and side hugging rules. Any such contact must be reported to the Principal and recorded in a Bound and Numbered Book by at least two members of the Safeguarding Team. Equally, it is the responsibility of all staff who may have witnessed this to ensure that this has been reported.

Staff Contact out of school hours

As a general rule, staff should not have contact with pupils outside of school hours.

Where emails and online platforms have become more a part of general school use, any contact should only be related to homework set and any other attempts by pupils to email teachers directly should be reported as to a line manager who will rectify this.

As a local community school, with staff as parents and part of the local community, there is also the potential for some social contact outside of school hours such as at children's parties etc. All such contact should be explainable with staff expected to maintain their professionalism at all times. Staff should speak with the Principal if there is anything contact that might fall outside such familial or community connection.

The office@nwt.eastern-mat.co.uk and principal@nwt.eastern-mat.co.uk are reviewed outside, but not routinely.

Links to other Policies

In addition, the above policies, the school's approach to safeguarding permeates many other, most notably:

- Anti-bullying
- Online safety
- Managing Medicines
- Relationships and Sex Education
- Curriculum
- Staff Code of Conduct
- Recruitment and Selection
- Whistleblowing
- Attendance
- First aid
- Educational visits including overnight stays

Health & Safety Advice for Visitors to North Wootton Academy

Fire Precautions
In the event of the fire alarm sounding, all visitors must leave the building immediately using the nearest fire exit (clearly marked across the school). The assembly point is on the Junior Playground. The fire alarm is tested weekly on Tuesday at 8:00 a.m.

First Aid
In the event of an accident, even if personal injury is not sustained, please contact the Operations Manager. First aiders are indicated on the notices throughout the school and all front of office staff are first aid trained.

If you have a medical condition that you would like us to be aware of, or in case of emergency, please indicate this to the office staff on arrival.

Non-Smoking Site
In order to maintain a healthy and safe environment, smoking is not allowed within the school buildings and grounds, including inside vehicles parked in the car park.

North Wootton Academy
Priory Lane, North Wootton, King's Lynn, Norfolk PE30 3J

Health, Safety & Safeguarding Information for Visitors

We wish to ensure the health, safety and security of both yourself and pupils and staff at North Wootton Academy so please take a few minutes to read this leaflet at the start of your visit today.

Thank you!

COVID-19

- Do not enter the school if you or a member of your household has Coronavirus symptoms
- Wash your hands frequently
- Catch it, bin it, kill it to help stop the spread of the virus

Safeguarding Advice for Visitors to North Wootton Academy

Our aim is to provide a safe and secure environment for our pupils, staff and visitors. As a school we are committed to safeguarding and meeting the needs of our pupils and require that all staff and visitors to North Wootton Academy share this commitment.

This leaflet has been produced to make sure all visitors to North Wootton Academy understand what is expected of them. Please ask if you are unclear about anything in this leaflet and keep it in a safe place so that you can refer to it as required.

Enhanced Disclosures
All staff and regular volunteers require a Disclosure and Barring Service Enhanced Certificate (DBS). If you don't have a DBS you are not allowed to work unsupervised with our pupils

Photography
This is strictly prohibited unless requested by a member of staff, in which instance photos may only be taken using school equipment. **Mobile phones must not be used in school under any circumstances and you will be asked to lock this in a phone locker whilst in school.**

Contact with pupils
Maintain a professional approach to pupils at all times. Avoid being alone with any pupil. If you are working on your own with a pupil always make sure the door is left open so that you can be visible to others.

Confidentiality
As a visitor to North Wootton Academy you may be privy to information disclosed about pupils or staff. Under the Data Protection Act 1998 this privileged information should **never** be shared outside of school.

Facebook & other social networking

If you are a regular visitor in school, you need to take extra care to ensure that you maintain appropriate contact on social networking sites. It is strongly discouraged for visitors in school to 'make friends' with any pupil at North Wootton Academy. It is also recommended that care be taken when 'making friends' with parents of children at school. Communication should always be respectful and should never mention work carried out in school on any occasion.

Disclosure by a child:
If a pupil discloses information about significant harm you should:

- Listen
- Tell the pupil that you need to tell someone else —you cannot promise confidentiality.
- Make accurate notes of what has been said by the pupil and pass this immediately to the SDP.
- It is not your responsibility to investigate but to report to the Senior Designated Person

If you are worried about the welfare or safety of any pupil within North Wootton Academy you must report this to the Senior Designated Person for Safeguarding (SDP) or his deputies.

Mr J Grimsby
SDP

Mrs N Graham
Deputy SDP

Miss Broughton
Deputy SDP
